## "GOING FOR GOLD"

### Mutant Brings the Bling for 2009

Mutant throws out the rulebook and redefines the entry-level audio market with it's stunning new "Rose-Gold" range.. Not content to choose between style and price, Mutant dares to fly in the face of tradition and say "Have Both!" - Gorgeous car audio no longer has to have a drop-dead price tag.

The 2009 Mutant Rose Gold range consisting of Harmony speakers, Origin Amplifiers and Engage subwoofers and enclosures. All jam packed with high-end specifications and dripping with stunning gloss black and Rose Gold accents, Mutant's 2009 audio range is the ideal ménage et tois of function, style and price.

#### **HARMONY SPEAKERS**

Harmony speakers feature high gloss polypropylene cones with rose gold tweeter housings, heavy pressed baskets, and high gloss PU surrounds. The 5.25" and 6.5" component sets also feature bullet phase plugs to reduce phase cancellation and swivel multi-mount tweeters allowing for a more focused sound. Component tweeters are titanium domed giving superb high-end fidelity without distortion right up to 20kHz.

#### **ORIGIN AMPLIFIERS**

Housed in custom tooled brushed black heat sinks with rose gold detailing, Origin 2 & 4 channel stereo, and mono bass amplifiers are all low impedance stable and tri-mode capable allowing them to run in stereo and mono modes simultaneously. They feature 3-way self-protection circuitry and top mounted controls for easy set-up and tweaking after installation.

#### **ENGAGE SUBWOOFERS**

Featuring one-piece injection moulded polypropylene cones with high roll foam surrounds, Engage subwoofers are capable of handling up to 1000watts peak power\*. They also feature heavy gauge stamped steel baskets, quad-layer 2" aluminium voice coils, nickel-plated sprung connection terminals, vented back plates and heavy gauge woven silver lead wires.

\*Refers to 12" subwoofer

## *ENGAGE ENCLOSURES*

Take an Engage subwoofer and put it into an 18mm thick solid MDF ported trapezoidal box and you get the new Engage enclosures. Available in 12" passive, 10" and 12" active, and 10" and 12" bass packs, Engage enclosures feature stippled black vinyl and rose gold accents as well as individual banana post terminals for easy removal when space is required. Engage active enclosures and bass packs come complete with 5m pre-terminated 100% OFC copper wiring kits making them ideal all-in-one bass solutions.
